

Agip Coro KSW 50 L

Agip Coro KSW 50 L is a wax like corrosion protection fluid with high efficiency.

Characteristics (typical figures):

Coro KSW 50 L		Unit	Test method
Appearance	beige		
Density at 15°C	810	kg/m ³	DIN 51 757
Viscosity at 20°C	30	mm ² /s	DIN 51 562
Flash point	58	°C	DIN 51 755
Salt spray test	> 50	h	DIN 50 021 SS
Condensation climate	> 300	Zyklen	DIN 50 017

Properties and Performance:

- based on a solvent free of aromatics and of low odour
- forms a wax like protection film with dry surface
- high corrosion protection
- wax dispersion

Applications:

Agip Coro KSW 50 L is applicable for long-term preservation of machines and materials exposed to the weather all year as well as transport and permanent corrosion protection. Also suitable for underbody protection, preservation of body cavities. Application by spraying possible.

Information:

The product has to be stored at room temperature. Storage period at least 6 months. The product is a water hazardous liquid.

For specific technical questions please contact our technical department. Get information in reference to our training seminar about the subject cooling lubricants.
